

QUALITY AND ENVIRONMENTAL POLICY

It is the policy of Roadgas Limited to maintain a quality system designed to meet the requirements of ISO9001:2015 and ISO14001:2015 (or any other standard in line with Annex SL Structure) in pursuit of its' primary objectives, the purpose and the context of the organisation.

Roadgas Ltd are committed to ensure that:

- This policy provides a framework for setting Quality and Environmental objectives. Objectives are set and reviewed at the annual MRM.
- We profitably supply products and services that meet statutory, regulatory and other applicable requirements including customer satisfaction.
- We maximise business opportunities where possible whilst identifying risk of internal and external factors.
- We maintain a commitment to continually improve and enhance our quality and environmental performance through our integrated management system. This will be achieved through our targets and objectives created to ensure intended outcomes are met.
- We are committed to the protection of the environment, including the prevention of pollution, fulfil the company's compliance obligations and other specific commitments relevant to the context of the organisation.
- We reduce outputs to landfill, maximise the efficient use of products and resources, recycle and consider a lifecycle perspective, where possible.
- We are committed to reducing our global environmental impact such as climate control, through continuous improvement. The company ensures that we integrate sustainability and climate control considerations into our business decisions.
- Training instructions and supervision where appropriate will be provided to ensure safe systems of work are operated and developed through the company.
- We maintain awareness of potential environmental change and impact resulting from our activities, products and services.
- This policy statement is communicated to all personnel within the organisation and is reviewed at regular intervals.

All staff are aware of their responsibilities within our management system standards and are committed to its future success. The company supports the appropriate training to ensure that the required skills are to the levels expected.

This policy will be available to all our external interested parties where appropriate.
